

ALCIONE

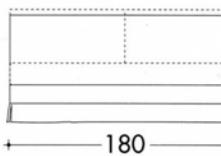

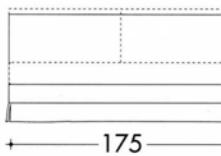

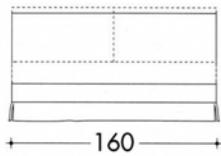

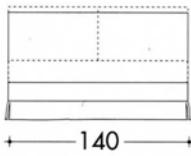

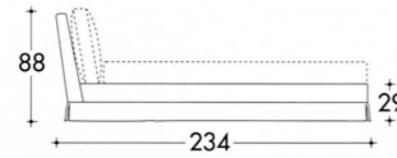

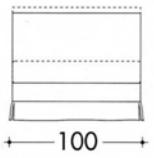

Letto sempre attuale dalla linea intramontabile. La struttura è interamente in legno, imbottita con materiale espanso e ricoperta con morbido Dacron resinato. La struttura è inoltre dotata di rete a doghe di legno ortopedica. I cuscini testata sono imbottiti, a richiesta, con materiale in piuma o in poliuretano espanso. L'intera serie è stata ampliata con l'introduzione anche della versione con base contenitore. Il rivestimento in tessuto è interamente e facilmente sfoderabile.

A bed with a timeless line and a style which is always up-to-date. The structure is entirely made of wood, padded with foamed polyurethane and covered with soft resined Dacron fibre. This structure is moreover supplied with orthopedic wooden slats. The bed-head cushions are filled with feather or foamed polyurethane on request. The Alcione collection is also available with storage container base. The fabric cover is completely and easily removable.

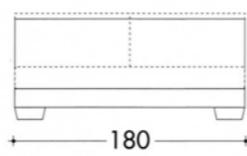

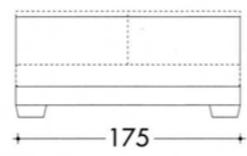

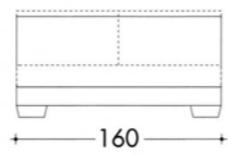

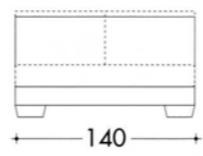

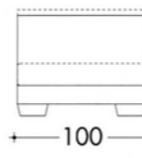

ALCIONE

Bett mit zeitloser Linienführung und stets aktuellem Geschmack. Gestell aus Holz und Polyurethan-Polsterung mit Harz Dacron Fiber verkleidet. Die Struktur ist mit Holzlattenrost ausgestattet. Die Kopfteilkissen sind mit Polyurethan oder mit Federn auf Wunsch gefüllt. Die Serie ist jetzt auch mit dem Bettkasten Gestell verfügbar. Der Stoffbezug ist völlig und einfach abnehmbar.
