

AIDA

Serie di letti con due diverse testate, tutti dotati di base contenitore con rete a doghe di legno ortopedica. La struttura è interamente in legno multistrato imbottita con poliuretano espanso e rivestita con una maglia protettiva e Dacron. A richiesta sono disponibili ruote al posto dei piedini di serie in ABS. Il rivestimento in tessuto è completamente sfoderabile.

Bed series: two different headboards available, both of the two models with storage container base, supplied with wooden orthopedic slats. The structure is entirely made of multiply wood padded with polyurethane upholstery and covered with a protective fabric lining of resined Dacron. Castors are available on request instead of the standard ABS feet. The fabric cover is totally removable.

Serie von Betten mit zwei verschiedene Kopfteilen, alle mit Bettkasten Gestell verfügbar und mit Holzlattenrost ausgestattet. Das Gestell ist aus Sperrholz mit Polyurethan Polsterung und mit passendem Schutzbezug aus Harz Dacron verkleidet. Statt Standard-Füßen sind Räder auf Wunsch verfügbar. Der Stoffbezug ist völlig und einfach abziehbar.
